PRESENTATIONS:

A. Matt Brozena, Tom Czop, and Dale Jacoby of M & B Environmental will provide a Six Month Report on the Operation of the Bristol Township Wastewater Treatment Plant.

B. Susan LeGros of Stevens & Lee and Wayne Simpson of the Alaimo Group will provide an update on the Consent Order with the US Environmental Protection Agency.

Ms. Susan LeGros, Environmental Attorney of Stevens & Lee, Wayne Simpson of Alaimo Group and Matt Brozena, Tom Czop and Dale Jacoby of M&B Environmental provided insight on both the
operations of Wastewater Treatment Plant (WWTP) and an update as to the Consent Order Compliance Issues regarding the Waste Water Treatment Plant. Ms. LeGros started the presentation off stating that the work needed to get the plant compliant required the entire panel to work together as a team so their report would be presented as a team as well.

Ms. Susan LeGros spoke on the history of the Waste Water Treatment Plant and the legal, operational and engineering issues that have been the focus of some Regulatory Authorities. Ms. LeGros stated it is their combined goal to achieve construction while meeting compliance by April 2015; in regards to bringing the WWTP and the additional pumping stations up to compliance and be discharged from the Consent Order Decree.

Mr. Wayne Simpson of Alaimo Group spoke on the Consent Order Decree and the Maintenance and Treatment Plans needed by the Waste Water Treatment Plant to stay on track with meeting the expectations of the Decree within the expected timeframe. Mr. Simpson noted that a lot of work has been completed by the team and township so that other requirements won’t need to be addressed next year.

Mr. Matt Brozena spoke on what M&B Environmental brought into the WWTP to gain compliance with staffing and operations. Mr. Brozena also stated that they have been able to reduce one of the two ongoing fines Bristol Township has been paying by introducing a chlorine chemical into the process. Mr. Brozena presented the operational issues and how they have been dealt with along with some of the ongoing issues the WWTP faces and how they need to be dealt with to gain compliance within the Consent Order.

Ms. LeGros finished the presentation stating that the next steps are to continue operation improvements at the plant while keeping compliance with the consent order, along with the increased dialogue between all parties involved. Ms. LeGros also stated that additionally the next steps would be to identify measured steps that are needed in order to enhance the capacity and operations of the WWTP, along with getting them approved and substituted in the Consent order. “Bristol Township needs reasonable and justifiable plans for where we need to go and how we plan on getting there along with the involved governmental agencies approval and finally a judge must revise the original consent order Decree,” stated Ms. LeGros.

Ms. Longhitano asked what the term “replacement in kind” meant along with the question as to if, “the Waste Water Treatment Plant is in compliance, are we operating at a lower expense than in the past?”

Mr. Bowen questioned if the Waste Water Treatment Plant is actually in compliance with the Consent Order by April 2015, who disappears; in regards to whose services Bristol Township would no longer need after full compliance is reached.
Ms. Ellen Miller of Margo Gardens questioned if Super Storm Sandy had put a significant spike on the inflow to the Waste Water Treatment Plant and as to the separation of Waste Water Flow and Street Water flow.

Mr. Charles Schultz inquired if at will secondary manhole checks were part of the ongoing steps to keep an eye on the Industrial Waste Pre-Treatment system.

Mr. Gallus Obert questioned about the concentrations of constituents coming in being higher than normal, and why, since the I & I flow would dilute them?

REPORT FROM TOWNSHIP MANAGER

Township Manager McCauley spoke on the past year and the difficulty in reductions of workforce but primarily meeting budget goals set forth by the proposed 2012 budget.

Township Manager Bill McCauley gave a presentation to the Township Council on the results of financial operations for 2012 utilizing the projector and it was good news for taxpayers. McCauley reported that the Township finished 2012 with a General Fund cumulative surplus of $5,999,255 beating the projected number by $2,251,534. General Fund Revenues came in $1,315,075 higher and expenses came in $936,459 under the adopted budget. Upon questioning by Council member Troy Brennan, McCauley stated that there should be no tax millage increase required for 2014.

Mr. McCauley stated that the once distressed Bristol Township, about to file Act 47 is now on the road to financial health all while keeping taxes at their current rate and not taxing seniors out of their home and making Bristol Township more attractive to potential incoming businesses. We need to continue to invest in infrastructure and continue to have businesses invest in Bristol Township.

Vice President Brennan inquired as to if he can assure the seniors and taxpayers with confidence another year with no tax increase.
BRISTOL TOWNSHIP COUNCIL MEETING
APRIL 18, 2013

Mr. McCauley stated in response that if the Township stays on course with the projected budget and if the Township controls expenditures it is very realistic to state there should be no tax increase for 2014 and would be very difficult to justify a tax increase in 2015.

President Bob Lewis along with the entire council commended Township Manager McCauley on a job well done.

Mr. McCauley announced Bristol Township’s Earth Day Celebration on April 28th from 10am to 1pm at the James J.A. Gallagher Senior Center Bristol in the Township Municipal Complex. There will be a Petting Zoo and Worm Farm along with Free Electronics Drop Off Event plus see tours of the Township’s Rain Garden and Septa’s Hybrid Bus.
